Dear<first name>:

Your donation of <\$> to my campaign, Gbenga for 48, made it possible to fight the good fight and give a voice, and a real choice, to State District 48 Democrats. Great strides for democratic issues, made possible by your generous donation, brought us even closer to turning Weld County blue. You helped me run a great campaign. Even though we didn't win, I will always be grateful and most appreciative for your support, and for believing in me and our campaign.

I am so humbled by the support and overwhelming encouragement I've received. The fight is not over. I have announced my candidacy to run for State Senate District 23. Once again, I am asking for your support. Together we can make a difference. With your continued support we can bring new democratic leadership to Senate District 23. Can I count on you? We have much to do to make sure Colorado works for all of its citizens. We must do our part to maintain Colorado's number one best state economy, be the number one best state ecologically, be first in affordable and available health care, and fully fund our schools at all levels.

I am running for Senate District 23 to do my best to **break down barriers and build our future**. I can't do this alone, and I need your help. Your generosity has made it possible to reach and encourage many Democrats to get involved and get out the vote.

A donation of \$10, \$25, \$100 or more would go a long way in helping to accomplish the goal of winning the Senate District 23 race, and securing a blue senate in 2020. Please go visit my web page <https://gbenga4colorado.com/> and donate today.

Sincerely,

Gbenga Ajiboye

Gbenga for Senate District 23
