

Some say the definition of insanity is doing the same thing, the same way, over and over – expecting change.

For house district 48, we have continually re-elected a man thinking he'll do something for our district. Yet here we are –He has sponsored bills on redlight cameras, swearing on bibles and arming charter schools, but ignores important issues on growth, housing costs, road maintenance, school funding, healthcare affordability and other important issues for our quality of life.

It's time for change – a fresh face with new ideas to practically plan for Weld County's future. Gbenga Ajiboye - the representative we need.
